### **About the Macungie Business Revitalization Program**

The Macungie Business Revitalization Program is a regional Main Street program that is dedicated towards improving downtown Macungie. This directory is one in a series of projects organized by the Macungie Business Revitalization Program. The MBRP would like to take this opportunity to thank all of our supporters, participating businesses and locations that are distributing this guide. We would also like to thank the outstanding volunteers who helped this guide become a reality.

For more information on the MBRP or how you can get more involved, please contact Michael Schlossberg at [MikeS@lehighvalleychamber.org](mailto:MikeS@lehighvalleychamber.org) or 484-809-1796.

### **About the Greater Lehigh Valley Chamber of Commerce**

The Greater Lehigh Valley Chamber of Commerce is a dynamic organization comprised of more than 5,000 businesses. As the second largest Chamber in Pennsylvania and the largest Chamber in New Jersey, we are committed to providing our members with unparalleled opportunities to enhance their business through exclusive member-only access to numerous benefits.

Having grown from 2,000 to over 5,000 members in just the last three years, the Greater Lehigh Valley Chamber of Commerce has been widely recognized for our commitment to regionalization, our progressive philosophy of establishing partnerships with other like-minded organizations and our ability to continually provide members with relevant tools necessary for them to complete and succeed in this ever-evolving economy.
