

## **VACANCY BOARD**

### **Description**

Borough Council is generally responsible for appointing eligible residents to fill vacancies in elected Borough positions, including those on Council itself. One resident is appointed to serve on the Vacancy Board. Should a vacancy on Council occur and the remaining Council members become deadlocked on the choice of replacement, the Vacancy Board consisting of the appointed citizen member and the remaining Council members, is convened and a replacement chosen. The Vacancy Board meets on an as-needed basis.
