

# PLOT PLAN FOR PERMIT APPLICATION

**Show all dimensions of entire property (length, width and square feet of entire lot). Identify streets adjacent to property. Show all buildings with size dimensions (length, width and height) within property lines and indicate whether the buildings are existing or proposed. Show the distance from building to property lines on all sides in relation to property right-of-way, width of right-of-way, front, side and rear yard setbacks, easements and sight triangles. Show any property corner markers.**

**Draw Plot Plan Here**

**The property owner/applicant is responsible for the accuracy of this plot plan and will be held accountable for submission of incorrect information relative to plans and dimensions.**
